Brandon,

My apologies for the delay in getting it sent to you. I will be sure you get copies of submittals going forward.

I'll also close the loop with you and get you copies of any we may have missed.

Hi Loren-

Can you please make sure a copy of all deliverables get sent to EPA? I understood that the revised site characterization report was already sent to him. Is that true? Perhaps you could let Brandon know when to expect it.

Thanks,
Ann

Ok thanks

I haven't seen anything come in the mail yet. Can you double check with Flint Hills to make sure they sent something. I know they've dropped the ball on sending stuff to us in the past. I would really like to have a hard copy of these reports for our site files.

Thanks.
